STOCKPORT COUNTY SUPPORTERS' CO-OPERATIVE

FUNDAMENTAL BELIEFS

Stockport County & its supporters are mutually dependent

Stockport County's participation in national league football is of critical importance to the Borough of Stockport

Co-operation is the key to success

Supporters empowered with the opportunity to actively support Stockport County as they so desire will do so

Supporters aware of the Club's plan can be empowered to help achieve that plan

Stockport County's long-term survival requires that the club be run in a sustainable manner

Stockport County is an important family member of the national game

OBJECTIVES

(as stated in Stockport County Supporters' Co-operative rules)

To encourage and promote the principle of supporters representation on the Board of the Club and ultimately to be the vehicle for democratic elections to the Board of the Club

To encourage the club to take proper account of the views and interests of its supporters, and of the community which it serves, in its decisions

To help raise the profile of the Club and encourage new support within the community

To obtain from the Club a commitment to provide facilities for the enjoyment of professional football

To strengthen the bonds between the Club and the community which it serves and to represent the interests of the community in the running of the Club

To support and encourage the further development of the Club's School of Excellence and its promotion of and involvement in Football in the Community

To benefit present and future members of the community served by the Club by promoting, encouraging and furthering the game of football as a recreational facility, sporting activity and focus for community involvement

To be an inclusive, democratic organisation that seeks to represent the views of all supporters of the Club through open, affordable membership, and consultation and liaison with all supporters and supporters' groups, regardless of whether they are members
